Column Jali | Ball Corner | Locks & hooks  
Butterfly Lock | Spring & tray Handles | Column Handle  
Column Corner | Misc. Accessories | Hyce

# Introduction

BARKAT ALI PRODUCTS was established in 2010 in Italy city with a notoriety for building and advancement as rich as its social legacy. Throughout the years the organization has set up itself as a world pioneer in the configuration, generation and promoting of high-innovation Professional and Commercial Audio items.

All through its history BARKAT ALI PRODUCTS has kept on extending and enhance, and now fulfills each solid and music multiplication need: from single frameworks to huge scale, complex undertakings.

For over 10 years, BARKAT ALI PRODUCTS fundamental authoritative, R&D and creation offices have been in Delhi where the organization has a workforce with a differing scope of abilities, joined by their enthusiasm for sound, readiness to develop and duty to quality and execution.

We started with manufacturing Column Jali now we have Italian's & Chinese finest ranges of all Jali, Misc Accessories, parts like T-Yoke, Voice coils, Speaker cones, Corner, Hyce, as well as amplifies, line array etc.

The Brand BARKAT ALI PRODUCTS is made to distinguish from cheap quality products. Barkat Ali Product must be synchronized with quality as well as performance at an affordable price. We have experience of more than 10 years the reflection of this experience can be seen in the quality of our products.
