About Us

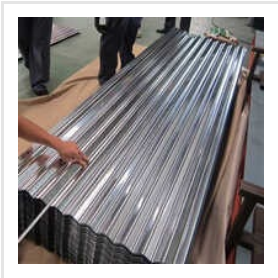

Various strategies and practices are adopted by Turbhe Iron and Steel Trading Pvt. Ltd.- a qualified trader and wholesaler of Galvanized Roofing Sheets, Galvalume Sheets, Industrial Mild Steel Pipes, JSW TMT Bars and Mild Steel Rectangular Plates for stimulating business growth. The Navi Mumbai based company has only been expanding since 1991, amassing many customers from across India. No other competitor has managed to surpass its consistency and reliability standards so far, and the company has maintained its solid reputation by providing world class products at marginal prices. Product thickness, coating uniformity, and adherence to industry specifications are assured on every order with the company also taking special orders for custom designed sheets and pipes as per client specifications.

For added assurance, the company manages an independent testing lab to conduct a series of product tests. Factors like corrosion resistance, tensile strength, finish, impact resistance and paint adhesion are evaluated before products are approved for quality. The company further makes necessary arrangements for timely gathering the feedback of clients. Any issues or concerns are readily addressed so that clients have a fulfilling associative experience with the company.
