# About Us

We, Brothers Industries, are a notable Manufacturer and Supplier of an extensive assortment of kitchenware products like Iron Tawa, Iron Dosa Tawa, Iron Flat Tawa, Iron Fry Pan, etc. designed in full compliance with market standards. Started our business in the year 2015, we emphasize on the utilization of top-grade iron, steel, and other materials in order to develop each product that make cooking easy and results in delicious cuisines. The entire range of our kitchenware products comes with a PTFE based multi layered advanced non-stick coating, which prevents food from sticking to the Tawa, while making it easy to clean and allows healthy cooking using less oil, butter or ghee.

Keeping quality as the most important business objective, we make all possible efforts to maintain it at different stages of manufacturing. Whether it is a matter of selection of the basic component or the integration of the most modern technology, we always try to do our best. There is the wisdom of advanced cooking and efficacy of our efforts which help us to remain matchless form rivals. Owing to our ethical and transparent business dealings, we have been able to gain a huge number of clients from all over India, from whom we get repeated orders.
