About Us

Varni Corporation, based in Ahmedabad, is a leading manufacturer, distributor, and supplier of superior-quality medical equipment and consumables. Our extensive product range includes Cardiology, Neurology, Nephrology, Surgical, and Medical equipment, which we supply globally. These products are in high demand among hospitals, private health clinics, and other healthcare facilities. Designed to enhance efficiency and improve work processes for medical practitioners, our products are a valuable asset.

Since 2016, Varni Corporation is the first preferred option for the clients who are looking for Surgical equipment, as the company offers products like Crepe Bandage, Filter Fresenius Dialyzer and Bloodline Transducer Protector. The organization is located in Ahmedabad, Gujarat (India), where it is known as the most entrusted firm to obtain medical products. The employees of the company are dedicated towards their jobs, and are responsible for the success of the agency it has attained. Because of our proficiency in the business and the support of our mentor Mr. Hitesh Patel (Managing Director), we are able to stand firm in the domestic as well as the international markets.
