About Us

Diamond Steel (India) introduces itself as one of the largest sources of the market to buy SS Stub End, SS 316 Elbow, SS Reducers, SS Connectors, Non Ferrous Metal Fitting, and many other products. As a proficient manufacturer, we enjoy developing these products and meeting the requirements of customers from several industries, including Refineries, Paper Mills, Chemicals, Fertilizers, Cement Plants, Petrochemical Plants, Sugar Mill, Fabrication Units, etc.

We also provide our high grade products to engineering industries for manufacturing several process equipment. We have high confidence in the quality of our products. We can provide them to customers with third party inspection facilities from companies like Bureau Veritas, D.N.V. H&G, Udhe India, Eil, Lloyds, Kavernor Power Gas, Toyo, Chemtex, Ceil, Tecnimont Icb & Ibr, and many others. As a customer-based company, we focus on meeting the demands of a huge clientele. For this, we prefer regularly maintaining a bulk stock of every item. We request that you check out our product and consider giving us the opportunity to serve you. We will be grateful to have our name on your fixed vendor list.
