## About Us

Maharashtra Multi Distributors Ltd. began its corporate journey in 1991 as a distributing company for VANAZ products and many other bottled gas products. Ever since then, we have been marketing products for several companies to dealers, direct customers, and our own distributors across India and abroad. We have more than 600 items in the range of gas instrumentation that make us a leading competitor in the market. As a trader, we offer highly reliable Cylinder Valves, Flame Arrestors, Gas Meters, Brass Fittings, Gas Hoses, Ball Valves, Gas Burner, Kabab Tandoor, Cooking Stove, and many other products. In the initial days of our operations, we were catering to the demands of local customers from Pune, Maharashtra, and India only, but now we have reached every continent of the world. We constantly work hard to deliver quality products from the top leaders of technology in the world. We want to provide products from the best brands to the doorsteps of our customers in a faster and more economical way than our counterparts.

We, Maharashtra Multi Distributors Ltd., are a company with a reputation in the market for our Safety Relief Valve, Gas Meters, LPG Fittings, Gas Hoses, Canteen Burner, Industrial Gas Hose, and many other products. These are from pioneering brands on the market, trusted for their supreme quality features. Our Pune, Maharashtra, India-based company follows a strict quality control plan. The plan guides our actions and helps us deliver high-quality products to our valued customers. We strictly test every procured piece prior to its dispatch to ensure that it has not suffered damage during the transit process.
