## About Us

The Indian Construction Industry, has been experiencing a boost ever since technology has made its entry in this industry. The construction work has become easy with smart and advanced construction machines. But what along with construction machines has made it easy for successful construction is quality construction products like blocks, tiles and more. From so many years, these products, possessing the ability of creating smooth walking and running surfaces, have made construction work worthy of investment. Knowing this well, we, M.R. Enterprises, are helping companies in successful construction with our quality assortment of Floor Tiles, Paver Blocks, Manhole Covers and more. Today, we stand as a reliable enterprise as we meet modern buyer's requirements. The lasting trust our Sole Proprietorship company has gained from all satisfied customers aids us strengthen our position as a manufacturer and wholesaler, in the industry that is growing steadily.

In changing the status of M.R. Enterprises from promising to sought-after company is quality production of Floor Tiles, Drain Covers, Paver Blocks, Manhole Covers and related products that find use in gardens, streets, etc. Our manufacturing company was started 15 years back and in very less period of time it made its presence felt with high quality construction materials production. It is our belief in right quality fabrication that we are getting bulk orders from small to big construction companies. In the Industrial Area of Tupudana Hatia, Ranchi, Jharkhand (India), we have our own production house, where, using authentic base materials, we give the best shape to products.
