

# BIO SAFETY CABINET

Customer Faith Wel-Kept For Lifetime.

Anti-Vibration Table, Ceiling Laminar Airflow, Chemical Storage Cabinet, Class III Bio Safety Cabinet, Cleanroom Air Showers, Cleanroom Pressure Module, Dynamic Pass Box, ESD-Work Table, Fume Hood, Horizontal Laminar Airflow, Hospital Modular Operation Theatre, Industrial Air Curtain, Industrial Fan Filter Unit, Industrial Metal Door, Industrial Terminal Module, etc.

**HORIZONTAL LAMINAR AIRFLOW**

**VERTICAL LAMINAR AIRFLOW**

**CEILING LAMINAR AIRFLOW**

## About Us

The prime requisite for complex biological experiments such as somatic hybridization and studying microbial growth on artificial culture media, is the creation of pristine biological conditions completely sealed from external influences. This requires efficient design and accurate machinery, which are brought to use across a wide base such as academic research, pharmaceuticals, biotechnology, and the research and development of chemicals in laboratories. Since its inception in 2014, Biotek Airflow Systems has been a trusted name in the domain owing to their excellent array of laboratory design wares and other essential tools for carrying out biosynthetic tasks, such as air flow benches and sterile cabinets.

Backed by a team of qualified engineers, creative designers and business professionals, we have established ourselves as a noted manufacturer and supplier of products such as Laminar Airflow Units, Laminar Airflow, Powder Containment Booth, Bio Safety Cabinet, Pass Box, Pressure Module, and more. We have always laid stress on the overall usability of the range of sophisticated laboratory tools and modules offered by us, which is reflected in their excellent design, high performance, and reliability. The aforementioned virtues have made us the prime choice of consumers across a wide industrial base, and have amassed a clientele of some of the most esteemed names in the domain.

## Key Facts

<b>Nature of Business</b>	Manufacturer
<b>Primary Competitive Advantages</b>	modular operation theatre,prefabricated operation theatre,cleanroom products,
<b>No of Staff</b>	11
<b>Year of Establishment</b>	2014
<b>No of Production Lines</b>	1
<b>OEM Service Provided</b>	Yes
<b>Monthly Production Capacity</b>	As per Requirement
<b>ProductRange</b>	modular operation theatre,prefabricated operation theatre,cleanroom products,

## Our Products

**Metal Powder Containment Booth**

**Industrial Fan Filter Unit**

**Cleanroom Air Showers**

**Lab Bio Safety Cabinet**

**Type B1 Bio Safety Cabinet**

**Type A2 Bio Safety Cabinet**

**Modular Partition Clean Room**

**Dynamic Pass Box**

**Type B2 Bio Safety Cabinet**

**Class III Bio Safety Cabinet**

**Industrial Terminal Module**

**Soft Wall Clean Room**

**Modular Clean Room**

**Validation Clean Room**

**Cleanroom Pressure Module**

**Static Pass Box**
