About Us

Our company, RSS Steel Products runs under the leadership of Mr. Shivam Ahuja (Proprietor), an influential figure who has worthy experience & knowledge in Steel fabrication domain. The sole purpose of our organization is to serve every kind of sector, which requires display/storage racks and various other items. For which, we work efficiently as a manufacturer and wholesaler. Our offered product portfolio encompasses items such as Display Racks, Commercial Showroom Racks, Grocery Racks, Cash Counters, Wall Channel Garment Racks, SS Fruit Baskets & many more. Manufactured using finest stainless steel available in the Indian market, our offerings secure a unique position in the market.

We work efficiently to enhance the experience of our customers through not only our qualitative product range but also through the associated services that we provide. Being a customer-integrated firm, each step is taken to meet clients' exact requirements. And for this, we also provide customization as per their specified demands related to the size & weight of the racks. In our journey of around 4 years only, we have secured a respectful spot in the industry. We are being acknowledged by the customers for the quality we serve and beneficial business deals we offer to them. By consistently improving our work and providing world class services to our esteemed customers, we look forward to achieving further heights of success in coming times.
