About Us

Medsor Impex is a leading manufacturer, exporter, and supplier of advanced medical equipment and healthcare products. Founded in 2016 and headquartered in New Delhi, India, we are committed to delivering innovative solutions that enhance patient care and support healthcare professionals worldwide. With a strong foundation in precision engineering and global standards, we aim to bridge the gap between quality and affordability in the healthcare sector. We specialize in designing and supplying a comprehensive range of medical products, including Adjustable ICU Bed, Choi Hair Transplant Implanter Pen, Adjustable Folding Walker Nut Bolt Walker, Stainless Steel Kidney Tray and Laboratory Centrifuge Machine. Each product is crafted with accuracy, durability, and ease of use in mind, ensuring reliability in diverse medical environments. Our wide portfolio caters to hospitals, clinics, laboratories, and specialized medical facilities across India and abroad.

Quality is our promise. We follow stringent quality control measures at every stage of production, from sourcing raw materials to final inspections. Our team ensures that every product meets international benchmarks of safety, performance, and durability. This dedication to quality has helped us earn the trust of clients not just in India but also in multiple international markets.
