ARSHIYA STEEL & ALLOYS LTD.

Manufacturer of Agricultural Implements Spare Parts

*Lets make farming easy
Lets make Upaj Bhoomi*

Company Profile

Evershine International, parent company of Arshiya Steel and Alloys Ltd., has been carrying out import & export of Non-Ferrous metals & scrap since 2001. The company asserts association with different countries around the world. With an experience of over 2 decades in various fields and having group turnover of more than USD 12 million, Arshiya Steel and Alloys Ltd., is gearing up to imply the best of its knowledge and technology to manufacture Agricultural Equipments and its parts.

This time, the company aims to manufacture the best Rotavator Blades / Hoe, Cultivator Shovels, Gyrovator, Mulcher, Happy seeder Blades etc. with the best quality metal at an affordable price. Apart from cost efficiency, we claim the longevity of the product too. Our products are especially designed as per the Indian & International standards to meet all the demands of tough different types of soil. Our entire range of products is passed through a stringent quality control process that ensures quality, durability and precision to match the international standards. With the aim of providing quality, we see the growth of the company as well as that of the country. Our company has been certified with ISO:9001:2008.

We call ourselves as ASAL. This is not only the abbreviation of our name, but we also believe in being ASAL, honest. We understand the true meaning and value of ASAL, be it product-wise or money-wise. We believe in providing utmost satisfaction to our customers so that the real Hero: our farmers get the utmost satisfaction and benefits.

Our team take utmost care while doing research and development of each product. The in-depth analysis of the product, sound accomplishment of the market helps in catering to the exact demand of the customers again and again. Our motto is to deliver the finest, beyond comparison, every time. We have also participated in various International trade fair and have received positive feedback.

With all in-house processes, our units are based in the industrial hubs of Delhi & Uttar Pradesh. Our state of the art manufacturing unit is equipped with advanced machinery.

Within the span of very few years we are highly obliged to serve all big reputed brand names available in Indian and international agriculture implements markets. Our company reaches its goal in manufacturing the best quality of products. Our company emerged as a trendsetter in various markets and well known brand worldwide as ASAL.

Item:- International Design C Type Rotavator Blade

Hole Size : Center Distance : Width : Thickness :

14.5 mm 46 mm 80 mm 7 mm

14.5 mm 57 mm 80 mm 7 mm

Item :- C Type Rotavator Blade

Hole Size : Center Distance : Width : Thickness :

14.5 mm 46 mm 80 mm 7 mm

14.5 mm 57 mm 80 mm 7 mm

Item:- International Design L Type Rotavator Blade

Hole Size : Center Distance : Width : Thickness :

14.5 mm 46 mm 80 mm 7 mm

14.5 mm 57 mm 80 mm 7 mm

Item :- L Type Rotavator Blade / HOE

Hole Size : Center Distance : Width : Thickness :

14.5 mm 46 mm 80 mm 7 mm

14.5 mm 57 mm 80 mm 7 mm

Item:- International Design L Type Gyrovator Blade

Hole Size : Center Distance : Width : Thickness :

12.5 mm 44 mm 70 mm 8 mm

14.5 mm 44 mm 70 mm 8 mm

Item:- L Type Gyrovator Blade

Hole Size : Center Distance : Width : Thickness :

12.5 mm 44 mm 70 mm 8 mm

14.5 mm 44 mm 70 mm 8 mm

Item:- International Design C Type Gyrovator Blade

Hole Size : Center Distance : Width : Thickness :

12.5 mm 44 mm 70 mm 8 mm

14.5 mm 44 mm 70 mm 8 mm

Item:- C Type Gyrovator Blade

Hole Size : Center Distance : Width : Thickness :

12.5 mm 44 mm 70 mm 8 mm

14.5 mm 44 mm 70 mm 8 mm

Item:- Cultivator Shovels

Hole Size : Center Distance : Width : Thickness : Length :
 12 mm 45 mm 70 mm 8 mm 15 Inch

Item:- Cultivator Shovels

Hole Size : Center Distance : Width : Thickness : Length :
 12 mm 45 mm 60 mm 8 mm 12 Inch

(Front View)

Item:- Shovels

Sizes :

As Per Buyer Requirements

Item:- Shovels
