## About Us

Our company, Disposable Point, laid its foundation stone in the year 1996 and since then we are acknowledged as one of the leading exporters, manufacturers and suppliers of Disposable Food service Products. Some of these include Hot Cups, Paper Cup, Food Container, Biodegradable Disposable Cup, Cutlery, Plates, Bowls and many more.

Our disposable items like Hygiene Box, Disposable Paper Cups, Disposable Containers, etc. are made of recyclable, environment friendly and premium quality raw materials, which we source from the established vendors of industry. To meet with the demands of our prestigious customers efficiently, we have set up a large production line through which we make sure that we do not fall short of supply. In various parts of the market we trade our goods and to ensure that we deliver consignments on time, and take the support of our efficient logistics. We take up bulk orders as well and thus, customers can place their orders right away to us through the details mentioned in the website.

The support of our state-of-the-art infrastructure facility has been our company's backbone ever since our incorporation as to meet with the ever changing market demands we comply totally with our infrastructure facilities. For the manufacturing of the disposable products we own a modern manufacturing wing, which is equipped with robust machinery. Whereas, for the quality testing, packaging and storing of the goods we are backed by separate units, each being well facilitated by advanced technologies.
