## About Us

Taking the initiative to bring forth the finest quality printing inks and papers for clients, we, S K Trading Co., have become a widely respected name in the Indian market. We are acclaimed as a leading supplier and trader that pleases a huge customer base with an array of flawless Blue Emulsion For Printing, Gold Paste Plate Printing Inks, Laser Printer Films, Multi-Purpose Labels, Skyscreen Squeegees For Screen Printing, Transparent Label Papers, and other products. Working since 2007, we have always made our products available to clients in exchange for reasonable prices. None of our offered items fails to match the expectations of our customers. This is because we work hard to avail the best of products from our vendors and present the same to customers in a timely manner. Prior to the dispatch of our offered items, we conduct stringent tests on our available stock to confirm the high quality of our range. This way, we fulfill our quality commitments with perfection every day.

We, S K Trading Co., are a famous name from Navi Mumbai, Maharashtra, India. We are acclaimed for being a responsible trader and supplier of the finest grade Nova Trace Tracing Papers, Stencil Removers, PVC Gloss LN Yellow Printing Inks, Nova Dense Plus For Printing, Fujifilm Sericol Inks, and much more. These are offered with complete quality assurance as they are sourced from reliable companies and brands. The business activities are done under the guidance of Mr. Saji Kumar, who is the Owner of S K Trading Co. With aspiration to become the clients favorite in the market, he works in compliance with all the stringent standards of the printing ink industry.
