About Us

Global Envirotech Engineers Private Limited is a leading manufacturer, supplier, and service provider in the water and wastewater treatment sector. We specialize in designing and delivering high-quality Sewage Treatment Plants (STPs), Water Treatment Plants (WTPs), and Water Softeners, catering to diverse industrial, commercial, and residential needs. Our mission is to provide sustainable and cost-effective solutions that ensure water safety, environmental compliance, and operational efficiency. With a team of experienced engineers and technical experts, we leverage advanced technology and innovative practices to meet the unique requirements of each client.

Committed to excellence, reliability, and environmental responsibility, we strive to contribute to a cleaner, healthier, and more sustainable future. At Global Envirotech Engineers, quality, customer satisfaction, and eco-friendly solutions are at the core of everything we do.

Key Facts

No of Staff	100
Year of Establishment	2021
OEM Service Provided	No
Monthly Production Capacity	as per customer requirement

Our Products

Reverse Osmosis Plant

Zero Liquid Discharge

**Softner- DM-MB-
Filtration Plant**

Ultra Filtration Plant

ADDRESS

**Shree House" Plot No.
BG/SEI/5/1/1 (A), MIDC Bhosari,
Pimpri Chinchwad, Pune,
Maharashtra, India (411026).**
