About Us

Since 2010, Kataria Cement Pipe & Products is working assiduously to serve customers unparalleled quality of Concrete Cement Pipe, RCC Hume Pipes, Half Round Pipe, Concrete Fencing Poles, RCC Garden Bench, Round Kerb Stones and much more. We can assure customers that there is no better company than us for buying RCC Benches, Manhole Covers, etc, because quality standards of our offerings are too high for any company to match up. Our capability to serve bulk requirements of clients has made us one of the reputed names of the marketplace. Innovative production practices assist us in processing offered range faster with no compromise being done in quality. As a trusted Manufacturer and Trader, we have established spacious in-house quality testing center where manufactured and sourced line is closely examined on diverse quality parameters. Our company has formed alliances with some of the trusted logistics firms which aids in making quick deliveries to both close and distant locations. 'Mr. Kataria' is the man behind the success of our company. His sharp business acumen and excellent understanding of market dynamics aids company in giving tough competition to counterparts.

Indore (Madhya Pradesh, India) situated company, Kataria Cement Pipe & Products is a well-known company that is operating business ethically with past 7 years. Not so-small family of 25 employees, excellent infrastructural space and strict quality control practices aid company in outperforming each passing year. We have adopted several customer-focused approaches to win loyalty of clients for longer run. No substances which are harmful to the environment, are used by us in production process. Industrial waste generated in manufacturing process is carefully disposed off. We are known across the nation for staying committed to our promise, ie, delivering only the quality-assured products at cost-effective prices. We provide several payment choices to clients for easing their monetary transaction process.
