

數控精密車床五金件系列

CNC PRECISION MACHINED PARTS SECTION

Auto Lathes and Metal Parts 自動車床及五金配件

We are one of the leading manufacturer, exporter and supplier of best grade CNC lathe part in China. The lathe part is made up of high quality raw material and latest technique in adherence to international quality standards. Every lathe part is quality checked before delivering it to our trusted customers. We offer lathe and metal parts in diverse specifications at reasonable prices.

Remarks (備註) :

- Material (材質) : Stainless steel, aluminum, brass, hard steel ...etc
- M.O.Q. (最少訂量) : 5,000 Piece(s) per size
- Lead Time (交付週期) : 1-2weeks
- Standard Packing (標準包裝) : 1,000 Piece(s) per size
- Payment Terms (其他尺寸) : Advance T/T (Bank Transfer)
- Features (特性) : Accurate dimension, corrosion resistance and flawless finish

Battery Interconnect Probes 電池接觸探針

Battery interconnect probes are designed to optimize contact performance in high reliability applications. It provides a permanent stable and reliable electrical and mechanical connection. Examples of typical applications include the connections between a mobile radio's PCB and its battery or an interconnect between a camera body and a powered zoom lens. We can produce the probes flexibility to match your performance, cost and assembly requirements.

Remarks (備註) :

- Material (材質) : Brass, Beryllium Copper, stainless steel, music wire ...etc
- M.O.Q. (最少訂量) : 10,000 Piece(s) per size
- Lead Time (交付週期) : 1-2weeks
- Standard Packing (標準包裝) : 1,000 Piece(s) per size
- Features (特性) : Gold plated
