About Us

With pride and contentment, we, Filltronics Automation, introduce ourselves as coveted manufacturer, supplier and service provider that visions to create a strong business network domestically and internationally. Currently, we deal in an array of high-end Filling Machine, Oil Filling Machine, Bag Filling Machine, Automatic Weighing Machine, Batch Weighing System, Vending Machine, Conveyor and services like Automatic Weighing Machine Services and Control Panel Installation Service. The entire assortment of our Filling, Packaging & Industrial Automation Equipment is engineered as per the guidelines laid by the industry so that the solutions meet up with application requirements.

Oil and gas, cement, material handling, construction, sugar, food are some of the industrial sectors in which we serve our products and are amazed to know that all over the marketplace our products are in great demand and are immensely appreciated. Our machinery comes under warranty and do not get damaged easily but we still provide support services if needed as we have our engineers based in all parts of the country, who will be there to help you whenever needed.

We, Filltronics Automation, are based in southern part of India (Secunderabad, Telangana), where we develop state-of-the-art Filling, Packaging & Industrial Automation Equipment and then distribute it in all parts of the country. Our entire range of industrial solutions are made from A-grade engineering metals and components that are acquired from the industry. After the procurement is done designing, fabrication and assembling of the machinery is carried out followed by an in-depth quality inspection process. Each work operation is conducted in the separate departments to ensure smooth working and zero-hassles during the work.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	oil filling machine
No of Staff	20
Year of Establishment	2015
No of Production Lines	2
OEM Service Provided	Yes
Monthly Production Capacity	25
ProductRange	oil filling machine

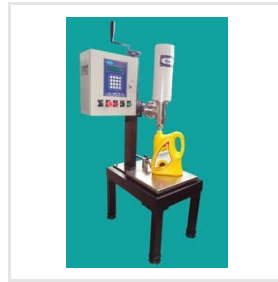

Our Products

Container Filling Machine

Semi Automatic Edible Oil Filling Machine

Oil Filling Machine

Automatic Double Head Liquid Filling

Automatic Bottle Oil Jar Can Filling Machine

Ghee Filling Machine

Double Head Bottle Filling Machines

Automatic Ghee Jar Filling Machine

Paint Bucket Filling Machine

Lubricant Filling Machine

Automatic Liquid Filling Machine

Automatic Bucket Filling Machine

Automatic Flame Proof Filling Machine

CO2 Gas Filling Machine

Automatic Glass Bottle Filling Machine

Automatic Edible Oil Bottle Filling Machine
