## About Us

Milk is nature's answer to humanity's prayers for a food supplement that has all the vital nutrients, and can serve as a complete meal, that too with high rewards, on account of its convertibility into a number of solid food forms such as cheese, yoghurt, butter, and a host of others. Alpha Milk Foods Pvt. Ltd. has been one of the most trusted names in the domain on account of its stellar dairy products that are a preferred choice of health conscious folks owing to their purity, taste and high nutritional value.

Since its inception in 2014, our company has been nothing short of a trailblazer in the industry, due its sheer dedication towards quality and providing highly beneficial dairy products to consumers across the demand demographics of the market. Backed by a posse of nutritionists and food experts whose experience and valuable inputs have been indispensable to us, we have cemented our position as a trusted Manufacturer, Supplier, and Exporter of products such as Milk Products, Dairy Products, Milk Powder, Milk Derivatives, Butter, Yoghurt and a host of other milk derivatives. For the production of these dairy products, we employ latest technologies, including multistage drying, VAM for refrigeration, auto butter transfers, blast cold rooms, etc., and follow guidelines of FSSAI and EIC. Our 3,00,000 sq. ft. processing unit has an output capacity of 5,00,000 liters of milk per day, which can be expanded up to 10,00,000 liters.
