About Us

We, Vibha Enterprises are cementing ourselves in the Indian industry as the most professional, proficient and premier grade supplier of brass & metal flux products. Our visionary mentor, Mr. Dinesh Verma is determined to serve small, medium and large enterprises nationwide with innovative and technologically sound products that are worth investing money on. By serving as a manufacturer, trader and importer, we are consistently bringing world class items from the local, domestic to national regions. Our offerings range from Aluminium to Aluminium Brazing Flux Cored Wire, Aluminium to Copper Brazing Rod, Aluminium to Aluminium Brazing Wire, Copper to Copper Brazing Rod, Flux Cored (Mixed) Aluminium Brazing Ring, Silver Brazing Flux, Silver Brass Rod, to many more items.

All the items produced, procured and supplied from our end are meant to meet the general purpose requirements as well as special applications in areas like Automobile, Heavy Engineering, Defence, Refrigeration, Radiator, Air Conditioning and others. As per the latest international standards that are set in the respective domain, we evaluate and assure our products. Their material quality, precision in dimension, finishing and other attributes are examined properly. We maintain absolute quality control at our firm until the end shipment of all items. After this, we make sure that each item is provided with safe and appropriate packaging.
