About Us

Broachcutter products are packed with innovative design features. These features offer unparalleled benefits to the users by way of reducing labour, stress and increasing productivity. The features and their respective advantages are; Product range include drillmagic series magnetic drilling machines and tapmagic series magnetic drilling & tapping machines. Rattler Petrol is RDSO approved Light Weigh Rail Drilling Machine, most suitable for field application. It can be carried and operated by a single person. The clamping, drilling and de-clamping operations can all be completed within 1 minute.

Broachcutter TCT & HSS Annular Cutters are known for offering VALUE FOR MONEY. Highest performance at the lowest prices have made them first choice of the users over last 15 years. Nearly 1.5 Million Broachcutter Annular Cutters are sold and we can say that EVERY SECOND A HOLE IS DRILLED USING A BROACHCUTTER ANNULAR CUTTER.
