## About Us

Medical furniture is essential for healthcare facilities across the globe, they helps doctors and surgeons in observing and treating their clients. Some furniture also helps patients in feeling comfortable during their stay at the hospital. In past years, the hospitals have taken their interior designs a notch up and now are looking for furnishing solutions that are easy to use, efficient, compact and looks attractive. To meet with such expectations of numerous health care facilities, we, Aliza Healthcare Private Limited a reputed Manufacturer and Exporter are crafting finely finished furniture with exceptional rust resistance and innovative designs.

With a unique business approach of our CEO Mr. Mushahid Husain, we, Aliza Healthcare Private Limited have created a niche for our brand in the global market. The mentors of our Greater Noida, Uttar Pradesh (India) company holds a vast experience of the domain and owns adequate knowledge about the medical sector. By offering top quality hospital furniture and accessories like OT Drug Trolley, Hospital Saline Stand, we are strengthening our already strong position in the domain. To assure such quality level, we procure raw materials from licensed sources of the market and use machines that are technologically advanced for producing our range. Our prompt delivery system and rational pricing scheme is also winning clients in each and every corner of the country. In future years, we are planning a diversification of our range.
