About Us

As a trusted name in the field of steel and plastic industry, our company, Janata Plastic Stores, offers our clients a wide range of products like Modular Assembly Storage Crates, Modular Assembly Storage Crates, Modular And Assembly Crates, Various Steel Accessories, Electric Salamander, Electric Shawarma Maker, and more. We have been in this industry for a long time, and over the years we have innovated our ways and technology according to changing market trends and developments. Our offerings are procured from the most trusted vendors and manufacturers in the industry who share the same values as us.

Being at the forefront of the business, we ensure the quality of our products by passing them through a series of quality assurance tests. We test our products based on various factors such as their design, durability, efficacy, quality, and more. Moreover, in order to reach a wider audience and cater to the needs of many, we supply them to our clients at competitive market prices. All of this has helped us establish a name for ourselves as one of the leading suppliers and traders of the above listed products.
