## About Us

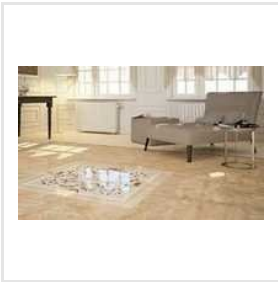

Fine Touch Ceramic, with a zeal to span across Indian markets, was formed in the year 2004. Known as a well reputed firm in ceramic product segment, we are endeavored to adorn your personal & commercial spaces with a perfect blend of beauty & class. Our company holds expertise in designing exclusive range of Wall Tiles, Floor Tiles and Sanitary Ware. We are among the reliable Manufacturers and Suppliers, capturing the memories of huge number of clients by creating new trends in interior design. Our skilled and knowledgeable workforce works in a coordinated manner and strives to provide solutions exactly as per the specific client requirements. The Vitrified Tiles manufactured by us are usually used for outdoors, owing to the features like super glaze, water & frost resistance.

We, Fine Touch Ceramic, are a Gujarat based organization engaged in providing best of quality, prompt services as well as maximum client satisfaction. With our qualitative range of Tiles and more, we help you to enhance the look of your home, office, and other spaces. Known for their high glaze, water resistance, crack resistance, and durability, our offerings are demanded by numerous buyers across the country. Each and every product is manufactured by using fine grade material. Further, our team of talented professionals time to time incorporate latest trends & styles in the product line.
