## About Us

Established in 2014 and headquartered in Rajkot, Gujarat, Discovery Agritech has emerged as a trusted Manufacturer and Supplier of premium quality piping solutions for agricultural and plumbing applications. Under the able guidance of our mentor, Mr. Rupesh, we have successfully built a strong and loyal clientele across India, recognized for our commitment to quality, reliability, and timely delivery. We specialize in a wide range of products, including HDPE Sprinkler Pipe, Pprc Water Line Pipe, PPR Reducer Male Threaded Socket, Hdpe Pipe Flanged, Hdpe Pipes Bend and several other fittings designed to meet the diverse needs of modern irrigation and water management systems. Our products are manufactured using high grade materials and advanced technology, ensuring long lasting performance, leak proof connections, and excellent resistance to pressure and environmental conditions.

Customer satisfaction is at the core of our operations. Our dedicated team works tirelessly to understand client requirements and provide tailored solutions that optimize efficiency and durability. Over the years, our focus on innovation, stringent quality control, and ethical business practices has earned us recognition as a reliable partner for both domestic and industrial projects. With a vision to support sustainable agriculture and efficient water management, we continue to expand its product range, delivering excellence and value in every pipe, fitting, and component we offer.
