

127 mm RPM Meter, 128Kb Communication Modules, 240 V Digital Voltmeter, 240 V Testing Panel Board, 415 V Control Panel Board, 480 V AC Drives, 480V AC Drive, AC And DC Drive Repairing Service, DB Panel Board, Fully Automatic Human Machine Interface, Industrial 230 V AC Drive, Industrial 480 V AC Drive, Industrial AC Drive, Industrial Programmable Logic Controller, L And T 480 V Delta VFD, etc.

INDUSTRIAL 230 V AC DRIVE

INDUSTRIAL 480 V AC DRIVE

INDUSTRIAL AC DRIVE

## About Us

Sodal Electrical is a major company in the field of electrical and power technologies. The establishment provides effective solutions in the industry, serving both commercial and industrial needs. As a prominent manufacturer, supplier, and trader, we offer a wide line of products, including AC Drive, V AC Drive, Programmable Logic Controller, Remote Programmable Logic Controller, Fully Automatic Human Machine Interface, Soft Starter. All of our raw materials are sourced from trusted vendors on the basis of quality, reliability, effectiveness, and safety standards. Also, we keep up with a large variety at a very affordable price.

To meet our clients comprehensive needs, we also provide professional AC drive repair service, among other things. Our services are result oriented, cost-effective, and prompt, creating desired results for customers. We offer industrial solutions with advanced technologies, expertise, and dedication. We help you with dependable power applications, and ensure effective distribution, protection, and control. Variable Frequency Drives are used in many industries for large induction motors with a range of power ratings. They are applicable in traction systems, pumping systems, modern lifts, escalators, ACs, refrigerators, etc.

<b>No of Staff</b>	4
<b>Year of Establishment</b>	2014
<b>OEM Service Provided</b>	No

## Our Products

**Industrial**

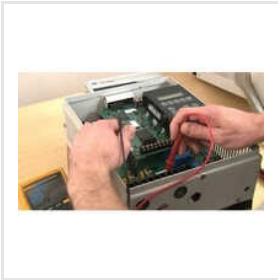

**Remote**

**V AC Drive**

**Fully Automatic**

**AC And DC Drive**

**L And T 480 V Delta VFD**

**Parker 210 V DC Drives**

**Thyristor 230 V DC**

**480 V AC Drives**

**Programmable Logic**

**Series Human Machine**

**U Programmable Logic**

**V Soft Starter**

**480V AC Drive**

**240 V Testing Panel**

**127 Mm RPM Meter**
