

Stabilizer Control Card

Crafting Superior Products
with a Commitment to Excellence

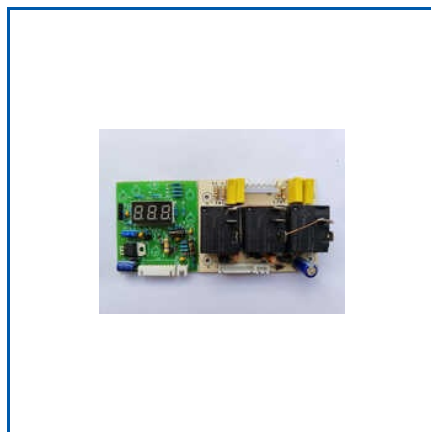

01_Mgs Digital Volt Amp Meter, 10 Amp SMPS Battery Charger Card, 12 v 6 AMP SMPS Battery Charger, 12-24 v 10 Amp Combo SMPS BATTERY Charger Card, 12v 10amp SMPS Battery Charger, 12v Automatic Battery Charger, 12v24v10a Battery Charger, 3 Step Stabilizer Control Digital Display Card, 5 Step Stabilizer Circuit With 72 Mm Digital Display, 7 Step Micro Controller Based Stabilizer Circuit, 72 Mm Ac Volt Meter, AC Stabilizer Circuit With Relay Display, Ac Stabilizer Control Card, Automatic Stabilizer Circuit Control Card, Automatic Stabilizer Control Card, etc.

About Us

M. G. S. Enterprises, established in 2017 and headquartered in New Delhi, Delhi, India, is a distinguished manufacturer, supplier, and exporter specializing in high quality electrical and electronic products. With a strong commitment to innovation and customer satisfaction, we have carved a reputable niche in the industry by delivering reliable and efficient solutions tailored to meet diverse power management needs. Our extensive product portfolio includes Smps Based Battery Charger, SMPS Based E Rickshaw Battery Charger Kit, Compact Battery Charger, Double Display Volt Amp Meter, and various other advanced power solutions. Each product is designed and crafted using the latest technology and premium grade materials to ensure durability, performance, and energy efficiency. We prioritize quality control and rigorous testing protocols, making sure that every unit leaving our facility meets stringent industry standards. Our skilled team of engineers and technicians continuously work on enhancing product features and introducing innovative solutions to address the evolving market demands.

Customer satisfaction remains at the core of our operations. We strive to build long term relationships with our clients by offering exceptional after sales support, timely delivery, and competitive pricing. Our robust supply chain enables us to serve customers efficiently both within India and internationally. Driven by values of integrity, excellence, and innovation, we are dedicated to becoming a leading name in the power solutions sector, powering progress and sustainability for a brighter tomorrow.

Key Facts

No of Staff	10
Year of Establishment	2017
OEM Service Provided	No
Monthly Production Capacity	as per customer requirement

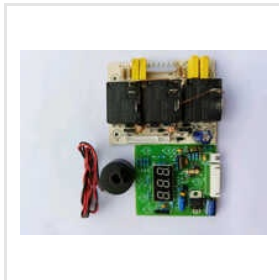

Our Products

Structure Stabilizer Circuit Control Card

AC Stabilizer Circuit With Relay Display

AC Stabilizer Circuit With Relay Display

TDR Digital Volt Meter

Stabilizer Circuit Board

Voltage Regulator Control Card

Voltage Stabilizer Circuit Board

Automatic Stabilizer Circuit Control Card

Stabilizer Circuit Control Card

Stabilizer Circuit Control Card

Mgs Stabilizer Circuit Control Card

3 Step Stabilizer Control Digital Display

7 Step Micro Controller Based Stabilizer Circuit

Stabilizer Control Card With Overload

Automatic Stabilizer Control Card

Automatic Voltage Regulator (AVR)
