## About Us

Aura Spices Pvt. Ltd. has been working to deliver the best quality spices. Our company has gained a huge recognition in the market, over a small period of time because of the robust roots with our customers, vendors and associates. From our manufacturing base in Kochi, Kerala, we now supply an extensive range of grounded spices and raw spices to different parts of India. Our business thrives on close and long-established relationships with our domestic clients, vendors and associates. Our team maintains strong customer relationships based on trust, ethics and innovation. We are emerging as one of the reliable manufacturers, suppliers, traders, and wholesalers of a premium range of spices in various packaging. We provide all of our clients with the best spices collection that India has to offer including Aura Spices, Cumin Spent Powder, Turmeric Powder, Pepper Spent Powder, Dried Nutmeg, Spicy Clove Stem, etc. and others.

We are passionate about all that we do. We have a list of loyal customers who bank upon us for our expertise, high-quality unique products and exceptional customer service. We have total flexibility in order quantities because we have realized that in order to be successful and innovative, you need to be flexible enough to all our customers. We are setting benchmarks by working in close association with our customers, identifying their specific needs and developing what is required. We have a separate quality control department that oversees every product and ensures flawless delivery of products to our customers.
