COMPANY PROFILE

We M/s **RAJ PROTECH**, pleased to introduce our self as authorized dealers for following reputed make engineering products in Mechanical , Electrical and civil for special application, which are known for their quality, mainly used in Steel plants, Foundries, Cement plants, Construction activities, Power plants, and many more like these .

We have a wide experience in handling requirements for various types of Industrial needs.

VISION :

To create and become a development partner, with sustainable business which strives constantly to retain market leadership, deliver outstanding quality products and services, enhances working environment to the employees in which they can grow and feel respected.

MISSION:

To develop honest, long term relationships with our customers that seek to confer cost, quality and on-time performance that help customers meet the challenges of a highly competitive market for engineering services.

M/s. RAJ PROTECH

D.nO.120, Nr.Laxmi Talkies, Hampi Road, Hospet-583201

OUR BUSINESS ASSOCIATES :

Instrumentation Products:

Flow Meters- Magnetic Type, Vortex,Swirl, Differential Pressure Flow meter, Variable Area, Coriolis Mass, Thermal Mass Flowmeters.

Pressure Transmitter – Diff.Pressure, Absolute, Guage Pressure transmitter.

Temperature Measurement Products : Universal temp Sensors, High Temp Sensors, Temp. Transmitter.

Positioners, Recorder & Controller - Paper Chart, Datamanager Pro, Field Mountable Indicators and Controllers.

ABB has wide range of Analyzer for different applications

PRODUCTS:

Plummer Blocks : Mounted Ball Bearing, Mounted Spherical Roller Bearing, Mounted Tapered Roller Bearings, Set Screw bearing.

PRODUCTS:

Industrial maintenance aerosols, Repair putties & Sealants, Protective coatings, , Environments friendly bulk cleaners, Electrical Insulation coatings & Tapes, Fire suppression coatings, Single & Two component anti-corrosion coating, Rust preventatives, Repair & Reclamation technologies, Adhesives & Sealants.

M/s. RAJ PROTECH

Engineering For The Future

PRODUCTS:

Valve Automation Systems (ON-OFF, SHUT OFF VALVES), Solenoid valves, Angle Seated Valves, , Rotary Actuators, Heavy Duty Actuators, Limit Switches, Diaphragm Solenoid Valves, Pulse Jet Valves, Pneumatic Cylinders (8 - 1000mm) & Mountings, Spool Valves, Air Operated & Mechanically Operated Valves, Valve Island, Positioners, Customized Pneumatic Panels.

PRODUCTS:

PUMPS: Progressive cavity pump, Twin screw pump, Three screw pump, internal gear pump, External gear pump, Shuttle block pump, Strainer, Internal lobe.

PUMPING SYSTEMS: Turbo group auxiliary systems (Lube oil s/m, Control oil s/m, water injection s/m, cooling water s/m), Fuel oil systems (Fuel oil unloading, Fuel oil transfer, fuel oil supply, fuel oil injection), Diesel engine systems (Cooling water s/m, Lube oil s/m, fuel oil s/m)

Welding and brazing consumables

PRODUCTS:

Welding Electrodes, Wires fluxes, Welding Consumables & Welding related Job Works for High nickel, Heat resistance alloys, Stainless steel, dissimilar metals, Copper and copper based alloys, Soldering and Brazing alloys.

Speciality Lubricants

PRODUCTS:

SPECIALITY LUBRICANTS : Greases, Open gear greases, Antiseizes, Tread dopes, Silicon compounds and Oils, Conveyor chain Oils, Gear oils (Minerals, Food grade, Synthetic, Gear oil additives), Forging lubes, Dry solid lubricants, Metal forming fluids, Metal Working fluids, lubricants, Crack detection kit, Antispatter, Thread Compounds, Lubricants & Aerosol Products

Innovating Level Controls Since 1984

"Level Measurement, Temp & Control Techniques

PRODUCTS:

Level Gauges for Liquids, Level Switches for

Liquids & Solids, Non Contact-Ultrasonic Type

Level Transmitters for Liquids ,Radar type Level Transmitter for Liquid & Solids,Water/Steam Level Measurement Products, Display Instruments, Foam Detection products.

Bi-Color Guages for Steam Applications etc.,

House for Couplings

PRODUCTS:

Couplings: Jaw Flex, Tyre Flex, Sleeve Flex, Cone flex, B-flex, Poly Gear, Polytex, Gear Couplings, Spider, Disc-o-flex, Specialized couplings for Cooling Tower, Pumps & Compressors, Cranes, Wire & Bar Rod Mills, High Performance Vertical, Insulated Disc Couplings, Gas to Turbine Disc Couplings, Ratchet Couplings AND Many more types for Industrial Applications.

FEW OF OUR ESTEMEED CLIENTS ARE:

Enriching Lives

JINDAL SAW LTD.
TOTAL PIPE SOLUTIONS

ORIENT CEMENT
CK BIRLA GROUP

We are well organized and professionally managed to serve.

Our representatives are well placed near to customers, to serve better.

Our vision is to serve our customer in better way.

With this we request you to arrange to give us an opportunity to be a part of your esteemed organization.

Thanks & Regards,

M/s Raj Protech,

Authorized signatory
HOSPET
