## About Us

Established in 2013 at New Delhi, Delhi, Baba Barfani Exports Private Limited, has emerged as a trusted manufacturer and supplier of Rfid Readers, Rfid Passive Tags, Desktop Rfid Reader, Rfid Active Tags, etc. With a strong focus on innovation, quality, and customer satisfaction, we have consistently delivered products that combine exclusive designs, advanced technology, and superior reliability, earning us a wide base of satisfied clients across India and international markets. Our products are designed to provide seamless performance and enhanced efficiency, meeting the diverse needs of industries such as retail, logistics, supply chain, and security. The combination of cutting-edge infrastructure, skilled professionals, and a strict quality control process enables us to maintain global standards in every solution we deliver.

What sets us apart is our ability to provide cost-effective solutions without compromising on quality, along with a proven track record of timely deliveries. This commitment has allowed us to build long-term relationships with our customers and secure a strong position among the top players in the industry. Moving forward, we aim to expand our global footprint while continuing to innovate and create solutions that empower businesses worldwide.

## Key Facts

<b>Nature of Business</b>	Manufacturer
<b>Primary Competitive Advantages</b>	Retails Security Display Systems,RFID Machines ,RFID Software ,rfid tag,RFID System ,
<b>No of Staff</b>	100
<b>Year of Establishment</b>	2013
<b>No of Production Lines</b>	1
<b>OEM Service Provided</b>	No
<b>Product Range</b>	Retails Security Display Systems,RFID Machines ,RFID Software ,rfid tag,RFID System ,

## Our Products

**13.56MHz Six Channels Fixed RFID Reader**

**UHF 900MHz RFID Reader ISO 18000-6C**

**Aluminum Alloy Housing Fixed RFID Reader**

**12Dbi UHF Long Range Integrated Reader**

**Convenient HF Industrial Reader**

**High Frequency RFID Proximity Reader**

**Industrial Protocol Converter Gateway**

**13.56MHz Industrial RFID Reader**

**HF Micro-Power Modbus RS485**

**12 Port HF RFID Sticker Reader**

**2.4G RFID RTLS Activator Alarm Buzzer**

**9Dbi C UHF High Performance**

**13.56MHz Modbus TCP Communication Fixed**

**RFID Tag Reader Freight Forklift Scanner**

**6 Dbi UHF Middle Range Integrated Reader**

**Micro Power Rfid Reader**
