About Us

Old is gold. Strengthening this proverb, we, Lokesh Engg. Works keep working hard and ensure that every time we receive an order, we impress our customers with our amazing manufacturing skills. The research and development department of our company along with our production facility, enables us manufacture our array of Laboratory Autoclave, Vertical Hospital Autoclave, Industrial Autoclave Sterilizer, Portable Autoclave Sterilizer and more of unparalleled quality. And, this is the reason behind our achievement of the title, Reliable Manufacturer. Our customers have been relying upon us to achieve top quality autoclave products at competitive prices since our establishment. Apart from our manufacturing skills, it our capability of well-maintaining customer-company relationships that we have established a large client base in this competitive business line. Another reason behind our success is our passion towards our work that always makes our clients wonder how we perform every assigned task flawlessly.

With our decade plus experience in the market, we, New Delhi, Delhi, India based, Lokesh Engg.Works, have gained in-depth knowledge of the market. Due to this, we are capable of fulfilling our customers demands for Laboratory Autoclave, Vertical Autoclave Sterilizer, Horizontal High Pressure Autoclave, etc., on-time. Backed by our knowledgeable qualified researchers, we are conducting researches that help us grow our sales and business in the best possible manner. Therefore, we proudly say that our research and development department is one of many reasons that make us earn a strong reputation in the market. As the name implies, we are a team of engineers, working hard day and night to win the hearts of our customers.

**Key Facts**

Nature of Business	Manufacturer
Primary Competitive Advantages	dehumidifier dryer,fumigation chamber,lyophilizer,rectangular steam sterilizer,cylindrical steam sterilizer,eto sterilizer,horizontal rectangular autoclave,vertical autoclave
No of Staff	12
Year of Establishment	2002
No of Production Lines	1
OEM Service Provided	No
ProductRange	dehumidifier dryer,fumigation chamber,lyophilizer,rectangular steam sterilizer,cylindrical steam sterilizer,eto sterilizer,horizontal rectangular autoclave,vertical autoclave

Our Products

**Seed Germinator
(Single Chamber)**

Autoclave Portable

**Biological Safety
Cabinet**

Mortuary Chamber

**Laboratory Vertical
Autoclave**

Ethylene Oxide (ETO)

**Autoclave Vertical
GMP**

**High Precision
Thermostatic Water**

**Vertical Laminar Flow
Bench**

**High Temperature
Furnace**

**Horizontal Laminar
Flow Bench**

**Refrigerated Humidity
Cabinet**

SS Autoclave Machine

**LEW-102 Vertical High
Pressure Steam**

Serological Water Bath

**Humidity And
Temperature Control**
