About Us

Steel furniture is both stronger and lighter than wood furniture. Metal furniture is also more durable and can last for a longer time. Metal furniture is resistant to rain and other harsh weather conditions and is suitable for indoor and outdoor uses. Various manufacturers and suppliers are involved in this industry serving the client with high-quality products. But when it comes to getting the best, H.M.T. Steel Furnitures is the most preferred choice of clients. Established in the year 1991, we, H.M.T. Steel Furnitures, are among one the most reputable and trustworthy manufacturers of steel furniture.

We offer a wide range of superior-quality products such as Hotel Banquet Chair, Rectangular Folding Banquet Table, Hostel Dormitory Bunk Bed, Black Metal Bed, Foldable Hospital Bed, Folding Bed, Folding Table, Garden Chair, and more to our clients at the most affordable rates. Our product range is widely in demand due to its design, durability, quality, and affordability. We strive hard to maintain a long-lasting relationship with our clients by providing them premium quality products with complete customer satisfaction.
