About Us

Founded in 2016, Divine Profile built a reputation for quality and creativity by continually giving clients the best frames with the most up-to-date patterns and styles to suit their demands. We are a Morbi-based manufacturer and supplier of Wooden Frame, Photo Frame, Decorative Frame and PS Frame. These frames are essential in residential and official spaces. We offer a variety of sizes, shapes, styles, and finish to suit the different preferences and occasions, from classic and elegant designs to modern and trendy ones. Our products are manufactured while utilizing the finest range of raw materials including wood, polystyrene, acrylic, steel and other products. We also use the best range of machinery in our manufacturing facility to enhance the experience of our customers.

Our organization is supported by a team of excellent professionals who are selected carefully from different domains including manufacturing, warehousing, distribution, packaging and other domains. They work in a synchronized manner to make sure that our organizational goals are met on time. We also provide our team members with essential training sessions in order to help them grow personally and professionally. Furthermore, We work tirelessly to ensure that our customers receive their orders on time and in perfect condition, and our customer support experts are always available to answer any questions or concerns that clients have.
