About Us

Turning Point Natural Care is a leading manufacturer, trader, exporter, and supplier of innovative and effective agricultural solutions designed to support modern farming practices. Established in 2017 in Pune, Maharashtra, India, we are committed to delivering products that help improve crop protection, enhance productivity, and promote sustainable agricultural growth. With a strong emphasis on quality, reliability, and customer satisfaction, we strive to provide solutions that meet the diverse requirements of farmers, distributors, and agricultural professionals.

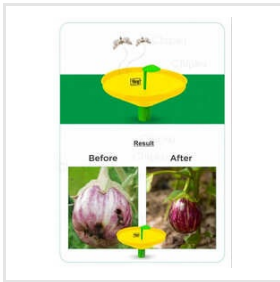

We offer a comprehensive range of agricultural products including Pheromone Lure, Insect Trap, Insect Gum, Yellow Sticky Insect Trap and Solar Insect Killer. These products are developed and sourced with a focus on effectiveness, durability, and ease of use. Designed to support integrated pest management practices, our solutions help customers manage pest-related challenges efficiently while contributing to improved crop health and agricultural productivity.

Our success is built on understanding and fulfilling the unique requirements of our customers. We focus on delivering dependable products supported by responsive service and professional assistance. By maintaining transparent communication and a customer-oriented approach, we ensure a seamless business experience from inquiry to delivery. We believe that strong partnerships are created through trust, consistency, and a commitment to exceeding customer expectations at every stage of engagement.
