About Us

For more than three decades, we, Kovai Engineering Solutions & Trading have been operating to enhance various engineering industries with technically advanced solutions. As a supplier, trader, wholesaler and exporter of the finest solutions, we have earned paramount importance since the year 1982. The reason for our consistent progress is that many of the elite manufacturers of the industry supply us the best performing products, including Long Term Rental Of Forklifts, Volvo Penta Engine Powered Diesel Generator, Three Phase Power Generator, 300kva Volvo Penta Engine Powered Diesel Generator, Kuboto Mini Excavator Bucket Teeth, Mahindra Generator, etc. Our quality investigation team tests them all with the latest evaluation methods after being acquired and with regards to the market, they are therefore priced at the most reasonable value.

We, in our company have built up a strong vendor base and for the selection of the right vendors we carry out various tests & evaluations. According to our market research, the most appropriate vendors are chosen from whom we procure the finest quality of products such as Three Phase Power Generator, Kuboto Mini Excavator Bucket Teeth, Mahindra Generator, Long Term Rental Of Forklifts, 300kva Volvo Penta Engine Powered Diesel Generator, Volvo Penta Engine Powered Diesel Generator and many others. However, upon the procurement of products from the vendors, we make sure to test every product as per the relevant quality standards, from our side as well.

Key Facts

Nature of Business	Exporter
Primary Competitive Advantages	excavator spare parts,jcb spare parts,earthmoving machinery spare parts,tooth point,volvo penta generator,diesel welding generator,escorts diesel generator,soundproof generator
No of Staff	5
Year of Establishment	2017
OEM Service Provided	No
ProductRange	excavator spare parts,jcb spare parts,earthmoving machinery spare parts,tooth point,volvo penta generator,diesel welding generator,escorts diesel generator,soundproof generator
