About Us

Accurate Auto Lathes Pvt. Ltd. is one of the front-runners in the industry of cutting tools, broaches, machines, etc. Established in the year 1981, it is a leading manufacturer, exporter and supplier of a wide variety of agricultural machinery, industrial machinery and hosiery equipments. With a vast experience in this industry and production expertise the company has made a significant mark in this competitive market and extending its wide network with an annual turnover of Rs. 50 million. Our array of products include Agriculture Sprayers, Knapsack Sprayer, CNC Lathe Machines, Cutting Tools, Thread Plug and Ring Gauges, High Speed Vertical Tapping Machines, Single Spindle Lathe Machine, Hosiery & Knitting Needles, Axles Shaft Components, Gear Parts, Chain Wheel Sprocket, etc. These are widely appreciated by our clients for their dimensional preciseness, durability and longer service life.

The company started its journey in the year 1961 by manufacturing Single Spindle Automatic Lathe Machines for manufacturing precision components. After that the company extended the mission by manufacturing cutting tools in the year 1981. Later on, in the year 1993, Hosiery Needles and Agriculture Spray Pumps also became the part of the manufacturing process. Being a client centric organization, we, Accurate Auto Lathes Pvt. Ltd., have always given out best efforts to provide highest degree of quality to our clients based in the domestic as well in the international arena. The range like Agriculture Sprayers, Knapsack Sprayer, etc we manufacture is also available on customization to suit the varied requirements of the customers.
