

Our Vision

"To optimise life globally with exceptional and innovative products and services."

Focused on high quality care-giving for all, ZP IMPEX & ZP MEDIHEAL is the global platform for premium healthcare consumer brands and products across many markets. We come empowered with knowledge, expertise and experience, most forward-thinking products in the healthcare industry. We believe in continuous learning, and in realising high quality brands through dedication and drive, always with care for our natural environments and ecosystems. We strive to deliver in full, on time, and in specification.

Our Mission

"To provide products and services that enrich the lives and well being of all ages."

Driven by our values of passion, reliability, integrity, dedication, innovation and quality. We will continue to develop superior brands for consumers, drawing upon our considerable expertise and experience, and our flair for innovation. Our goal is to be the brand leader for premium healthcare – products that enhance peoples' care, wellbeing and welfare around the world.
