About Us

Ganeshchhaya Enterprise has been started in the year 2017 by Founder and Owner Mr. Bhavesh G. Vaidankar. With the experience of more than 10 years in the Safety Industry. We aspires to become a leading name in global industries for a comprehensive range of industrial and personal safety and security products. Safety products are extremely essential for preventing individuals from small accidents to big hazards. The Cooperation of our customers and their trust brought it to a full Fledge of Growth and expansion we have registered members in MSME and EXIM we are expanding business globally by starting our own Import and export.

Our Excellence

- **Under one roof, we are presenting a large variety of safety and security products of excellent quality traits. We uphold expertise in providing suitable solutions to customers for safety and security products as per their specified requirements. Our firm is working in compliance with all international norms and policies that are set in the industry for safety products. We follow strict quality inspection rules and thoroughly examine and quality assures our products. This way, we maintain the same superior quality in all our products.**

Customer Satisfaction

- **Our foremost priority always remains to achieve peak customer satisfaction through our products, deals, and services. We are committed to fulfilling the high demands and expectations of industries with hazards & accident-prone areas for varied safety products. Our team of support stays available to solve queries and complaints of customers at any given time of day. For us, the safety of customers and their satisfaction both come first therefore we strive to meet their exact requirements for safe products at reasonable prices.**
