Consistent Pressure Control

 Simple mechanical design for years of reliable use

Double-seal design keeps moving parts isolated from paint

Delivers quality spray pattern with minimal fluctuation

Lighted Power Plug

Lighted plug gives quick, positive indication that sprayer has power

► Ideal for trouble-shooting on the jobsite

If you're looking for a solid workhorse of a sprayer that is built for the professional who is just "starting out" then the **390** is for you. This is Graco's lightest professional sprayer

weighing in at only 30 lbs! The 390 is the ideal sprayer for residential jobs because it

is so lightweight and portable. Hands down the 390 is the *best value* in small electric

Graco's lightest professional sprayer at only 30 lbs [13.6 kg]

Swivel Inlet Suction Hose

- ▶ All aluminum construction is durable, lightweight and rust proof
- ▶ No-tools removal of hose for cleaning or accessing inlet ball
- ► Easily swivels to reach paint buckets or cans
- > Stands upright so it won't tip paint can over
- Attached big cup holds the inlet during transport to catch drips
