About Us

Our company, Jetpack Machines Pvt. Ltd., was initiated by a team of diligent engineers who wanted to bring a revolution in the domain of packaging and filling machines. After completing 2 decades in this industry, we have acquired the number one position in the industry which is the outcome of our passion towards our job. Thousands of customers across the globe trust our brand of Semi Automatic Toilet Cleaner Line, Semi Automatic Powder Filling Line, Semi Automatic Cream Filling Machine etc. Our creations are made up of premium quality components which are responsible for their high performance and long service life. Our engineers make the best use of modern technology to create an incomparable range. We cater to the needs of customers belong to different verticals like food, cosmetic, chemical etc. Our machines are on par with the international standards when it comes to quality and latest features. They are in great demand in domestic as well as international markets owing to their characteristics like low power consumption and precision development. We have successfully completed 1000 projects all over India and overseas. Being customers first choice as a manufacturer and exporter is our greatest achievement. To maintain such positive image, we strive round the clock to cater to the needs of customers with complete focus.

Situated in Vasai, Maharashtra (India), we, Jetpack Machines Pvt. Ltd., are acknowledged across the globe for making available the best line of Filling and packaging machines. The wide gamut we make available includes Semi Automatic Tablet Filling Line, Feeder Screw Conveyor, Automatic Toilet Cleaner Filling Line, Automatic Perfume Filling Machine etc. As customers are very much impressed by the quality of our range, they regularly place huge orders. Our team never say no to urgent and bulk orders as we are able to produce machines in heavy quantity. Factors like prompt delivery of consignments, excellent customer care service and ethical trading policies are some of the factors which have convinced thousands of customers to become our regular client.
