## About Us

Born in 2015, Al Madar Glass is a complete glass solutions provider. We are serving the industry as a trader and supplier of various glass products such as Designer Glass Railing, Glass Wall Panel, Toughened Glass Door, Frameless Glass Partition, Coloured Mirror Glass, Insulated Glass, and many others. With rich knowledge about various types of glasses and their use in diverse applications and areas, we have gained expertise in the domain. We procure glasses from the most certified manufacturers, which are famous in the market with their brand names such as OZONE, Toughened, Olumpus, and Saint Gobain.

Al Madar Glass is a trusted trader of Glass Wall Panel, Designer Glass Railing, Toughened Glass Door, Coloured Mirror Glass, Frameless Glass Partition, Insulated Glass, and many other glass products. Our Lucknow, Uttar Pradesh, India-originated company is famous across the market. We understand that our offerings are fragile in nature, hence we take a number of measures and precautions throughout the processes. The attention we pay to safe handling makes us face minimum losses due to product damages and have delivery of a flawless range that delights customers.
