About Us

The name of our company- A.R. Plastics, is considered as a synonym of quality as we are serving a world-class range of Plastic Bottle and Jar Cap. Operating as a manufacturer and exporter since more than half a decade, we have only attained appreciation for our works since the very beginning. Today, the portfolio of our product contains Fridge Bottle Caps, Bottle Caps, Push Pull Cap and Flip Top Cap, just to name a few. By being operational under the mentorship of Mr. Rakesh Kumar, we have been able to achieve our targets with much ease. It is indeed his futuristic mindset, excellent approach, and brilliant managing skills, that have made our company leapfrog every other firm in the market. Our business strategies are prepared while keeping in mind our final objective- to conquer the markets on a global level.

High satisfaction of customer attained in every business deal means that we have achieved our goal. On a daily basis, we look for newer ways of satisfying our customers. We understand that the quality we serve is a strong factor behind our prosperity, and we firmly abide by best quality practices. Plus, our dedication to satisfy the customers works in favor of our success and growth.

To ensure that our plastic bottle and jar caps are produced in high quantity, we have backed ourselves with the most sophisticated premises. Our infrastructural unit is well-equipped with all advanced technology machines, that makes us effortlessly suffice needs of our customers.
