About Us

Supriya Ceramics is regarded as one of India's top businesses that meets the unfulfilled demands and expectations of customers both domestically and internationally for sanitaryware goods. We are famous for designing, developing and marketing urinals, washbasins, water closets, squatting pans, and many other sanitary goods. Our products such as Orissa Pan, Ceramic Wash Basin, Designer Wash Basin, Wall Mounted Basin, One Piece Toilet Seat, and many other bring repeated orders to us.

Our plant was started in Thangadh, Gujarat, in 1993. Since its founding, the business has created a large, and well-functioning infrastructure unit to produce these goods at competitive rates and with excellent quality. Our brands, seraware and sova, are well-known for the superior quality of their offerings, which has contributed to our success in the marketplace. We have gained the trust of our clientele thanks to our open and sincere business practices. Furthermore, we have mustered a huge clientele by helping them in expanding their markets by providing OEM services.
