About Us

With the objective of bringing a change in the engineering sector, we, Precihole Machine Tools Pvt. Ltd., bring forth our customers state-of-the-art tools and machinery. We are flourishing in our industry as a manufacturer and exporter right since the year 1988 and are proud of the milestones we have achieved. The high end solutions that we deal in comprise Gun Drilling Machine, Deep Hole Driller Machine, Assembly Machine, Boring Machine, Honing Machine, Gun Drilling Machine, Deep Hole Driller Machine, Micro End Drilling Machine and many more. All these goods conform to the ISO 9001:2008 standards and therefore, accepted in international market as well.

Our range of BTA Drilling Machine, Deep Hole Driller Machine and others serves the requirements of several industrial sectors like construction, automotive, air & gas, textile, defense, aerospace, textile and many other. From these industries we have successfully garnered the trust of several small and large scale companies like Exide, Godrej, Honda, Mahindra, Tata, Voltas Limited and many other. We can assure that our customers will always receive the best technical solutions and services as we are committed to help our customers in the best possible manner.

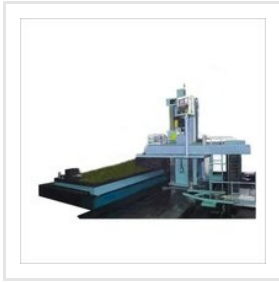

Key Facts

No of Staff	50
Year of Establishment	1988
OEM Service Provided	No
Monthly Production Capacity	As per request

Our Products

BTA Deep Hole Drilling Machine

Deep Hole Drilling Machine

Single Axis Gun Drilling Machine

Skiving And Roller Burnishing Machines

Gundrill Regrinding Machine

Specially Designed Machine

Twin Spindle Automatic BTA Drilling

Deep Hole Drilling Services

Gun Drilling Machine

Twin Screw Barrel

Facing & Centering Machines

BVN40 BTA Drilling Machines

Customized Deep Hole Drilling Machine

Micro Gun Drilling Machines

Deep Hole Drilling SPM's

Three Axis Gun Drilling Machine
