About Us

Zero-D Industries Pvt. Ltd., founded in 2014, has established itself as the top-notch manufacturer and supplier of FRP Bio Digester Tank, Chemical Reactors, FRP Security Cabin, FRP Doors, etc. We are also known in the market as a service provider for Installation and Maintenance of all goods. Our products are known for their dependability and perfect design, are available in custom sizes, dimensions, and technical requirements, as requested by the client. Our loyal clients attest to the high caliber of our goods and promote our company by the word of mouth.

We are focused to improve the future of the industries as well as to secure it. Our director, Mr. Pratik Sangave, give success mantra to our company and his guidance has enabled us to impress customers and develop cordial bond with them.

Executive Urinal Primium, Septic Tanks, Economical Indian Bio Toilet, Industrial FRP Cabin, etc. are among the products offered by Zero-D Industries Pvt. Ltd. The manufacturing of the aforementioned goods takes place in our highly developed unit in our Thane, Maharashtra, India based unit. We began our business journey in the year 2014, and since then, there has been no turning back. Our track record of success is evidence that we have consistently taken our work seriously and provided customers with the best goods and services possible. We are confident that we will be able to maintain our market leading reputation.
