## About Us

Assisted by reliable business associates and a hardworking team of professionals, we, Shalvi Engineering Corporation, have emerged as a renowned entity. We are one of the fastest growing suppliers and traders on which many customers have blind faith. Our ethical approach to running the venture has allowed us to win the hearts of all customers. Today, we have emerged as their favorite destination to have business deals for Wheel Chairs, Patient Monitoring System, Hospital Furniture, X Ray Machine, ECG Machines, Industrial Cooler, Blower & Fans, Material Handling & Lifting Equipment, etc. Our company believes that a happy customer base is the key to our own happiness. This is why we are making every possible effort to delight our customers. We keep on introducing new client-oriented policies, offer heavy discounts, and practice many other things which enable us to impress the clients.

We will continue to serve industries, including Nursing & Pharma, Medical & Hospital, Oil & Gas, Building & Construction, Fire & Safety, Mechanical, Electrical & Electronics, Plastic, Rubber, Polymer & Steel, etc., in the best possible way and set an example for our competitors.
