About Us

Today, the traditional trend of using old style mattresses is getting replaced with much reliable foam mattresses. As, these mattresses are more adaptable to user's body and adjust its shape accordingly, rather than forcing on him/her to contour to it, it has a huge demand in the market. To meet such demands of the market, Gajanand Foam Industries is serving as the manufacturer, trader and distributor of a variety of products. Our product range includes Polyurethane Foam, Super Soft PU Foam, Polyurethane Foam Sheet, PU Foam Mattresses, Premium Quality Foam, Foam Mattress, etc.

A Gandhinagar (Gujarat, India) based firm, Gajanand Foam Industries is working as the manufacturer of a huge range of qualitative foam based products. Since 2017, we are serving the market as the distributor of a product range which includes Polyurethane Foam, Premium Quality Foam, Polyurethane Foam Sheet, Super Soft PU Foam, PU Foam Mattresses etc. With our high-quality product range, we are gaining recognition in the market and proving ourselves as one-of-the most reliable supplier of our range of products. We have adopted the best client-centric approaches to fulfill the expectations of our customers. Moreover, to meet other requirements of our customers, we are also working as the trader of a similar range of products. Now, we are expanding our business in the market at a good pace and looking forward to achieve another level of success in a short period time.
