About Us

Baldness or excessive hair fall can lead to lack of confidence amongst people as people tend to care about their looks a lot. We, Mouri Hair Enterprises, are a company that aims to provide a perfect one-time hair solution to such people by providing a wide range of Human Hair and Hair Extensions. There are many factors that affect baldness in people while some have this problem since young age others face hair fall issues due to stress, pollution, aging, use of salted water while washing etc. The most common range of hair wigs and extensions that are demanded includes Indian Remy Hair, Virgin Hair, Wavy Hair etc. We believe that putting of human hair or extensions is not just a cosmetic necessity but also becoming a fashion statement today. Our offered human hair and human hair extensions can easily blend with any look and gives a very natural look just like normal human hair. Moreover, the USP of our provided human hair is that it can be easily styled, combed, colored, shampooed and conditions just like natural hair.

We, Mouri Hair Enterprises, are based in the prime location of Chennai, Tamil Nadu, India, and are renowned as a leading business firm dealing in human hair and extensions. Our offered variety is developed using modern hair manufacturing technologies and tools in order to get quality and quantity range. In different styles, volume and length the human hair wigs & extensions are designed and produced to suit the requirements of the people efficiently. Our wigs are made up of hair that are always tested on strict quality parameters before giving the same to the customers as per our stringent quality strategies. Interested customers can visit our product showroom to know more about our products.
