SHEET METAL EXPANDED DIE

About Us

Rakesh Engineering Works is a leading manufacturer and supplier of high-quality metal processing machinery. Since its inception, Rakesh Engineering Works has been offering high-grade and durable metal dies, perforated sheet-making machines, sheet flattening machines, cable tray perforating machines, metal perforating machines, etc. We have several years of skills and expertise in offering quality products to manufacturing, construction, electrical, and other industries. We have been adhering to the global quality norms and implementing advanced technology in the production to provide the best to the patrons.

Rakesh Engineering Works is a notable manufacturer and supplier of high-end metal processing machinery such as metal dies, perforated sheet-making machines, sheet flattening machines, cable tray perforating machines, metal perforating machines, etc. Since 2016, we have been offering a creative product line that is designed according to the national and international quality norms. We have been offering unmatched quality solutions and products to the clients as per their specific demands. We ensure the development of the best products in standard as well as tailored-made configurations.

Key Facts

No of Staff	8
Year of Establishment	2016
No of Production Lines	1
OEM Service Provided	No

Our Products

5HP Metal Perforating Machine

Single Punch Perforated Sheet

MS Perforated Jali Making Machine

Semi Automatic Sheet Flattening Machine

Expanded Metal Sheet Machine

MS Cable Tray Perforated Machine

MS Sheet Flattening Machine

Industrial Cable Tray Perforating Machine

Industrial Perforated Sheet Making Machine

Automatic Metal Perforating Machine

MS Perforated Sheet Making Machine

Automatic Cable Tray Perforated Machine

Industrial Perforated Metal Die

Fully Automatic Sheet Flattening Machine

Industrial Perforated Jali Making Machine

Expanded Metal Dies
