About Us

Curitex Medical Pvt. Ltd. is emerged as a noteworthy entity of Vadodara, Gujarat, which is actively engaged in the production of unparalleled quality medical textiles such as Cotton Wool Roll, Surgical Cotton Roll, Absorbent Cotton Roll, and many others, that are widely utilized for wound healing as well as regenerative applications. Besides, being a customer oriented firm we mainly focuses on attaining 100% customer satisfaction through making availability of superior quality products at reasonable rates. Further, we follow ethical business policy along with quality assurance policy for ensuring the flawlessness of our range. Our core motive is to be a forerunner in this domain. Moreover, we have highly diligent as well as experienced professionals in our quality controlling department, who rigorously examined the offered range on several factors that are related to the quality. Apart from this, our vision is to improve the quality of our range and services with an aim of winning client satisfaction. In addition, we have created a reputable position in this field due to our quality and client centric approach along with competitive marketing strategies.

Our manufacturing unit for Absorbent Cotton Dressing and Gauze Dressings currently has an installed production capacity of 37.5 tons/month. All our products will be manufactured under license from the FDCA, Gujarat, as per Indian Pharmacopoeia (IP) and British Pharmacopoeia (BP) standards. We are in the process of obtaining US FDA and CE Mark certifications for export customers.
