About Us

We, Bhadra Enclosure Systems, stepped in the industry in the year 2017 itself are extremely proud to inform that in a very short span of time we have gained a respectable position for ourselves in the industry. Being a dependable manufacturer, exporter and trader, we understand our responsibility and therefore, our entire focus is on developing quality products and then delivering it on time. The comprehensive assortment of products that we deal in comprises ABS Enclosure, Junction Box, Cable Glands, Polycarbonate Enclosure, Aluminium Junction Box and many more.

As we comply with the stringent quality norms the engineering or fabrication of these enclosure boxes are done as per the standard guidelines. Even the raw materials that are needed in the manufacturing of the products are in compliance to the standard quality guidelines. We make complete efforts to maintain such high quality of our products and at the same time we strive to meet with the market demands within the stipulated time-period. Electrical and electronic industries are the two sectors in which our products are needed and so accordingly the products are developed.
